## VIRTUAL CSPA OPEN MORNING

**Calling all Headteachers, Designated Safeguarding Leads and those with a Safeguarding role in Education!**

Please join us for an informative session with presentations from the CSPA service including the Multi-Agency Partnership (MAP) Team, Early Help and Police.

The purpose of CSPA Open Mornings is to further strengthen the vital interface between CSPA and our dedicated Education Partners.

This will also be a brilliant forum to discuss general feedback with a question and answer session.
