

### **SUDI and ICON Discussion Forum**

Based on published best practice from 'Eyes on the Baby Multi-agency SUDI prevention for County Durham'<sup>1</sup> SUDI and ICON discussion forums are going to be held for Surrey, every 6-8 weeks with our Specialist Nurse for Child Death Reviews, Natalie Price, to encourage reflective practice. These drop-in online discussions are intended for staff to ask questions about the training they have received or a situation they have encountered.

Professionals can book on one or more sessions dependent upon their needs.
